

# Make a Difference This Holiday Season – Support CornerStone

As we reflect on an incredible 2024 year at CornerStone Community & Youth Center, we are filled with gratitude for the impact we've made together. Through generosity and support from so many, we've been able to: Empower over 350 youth through engaging programs, community-building events, and entrepreneurial opportunities. Host over 3200 hours of youth participation in activities like crafting, volunteering for community activities, and many special events. All while providing a safe and welcoming space where kids can enjoy food, learn new skills, grow in confidence, and simply just have a safe place to hang out with each other while unwinding from the school day.

As the year comes to a close, we ask you to consider joining us in sustaining this vital work by making a year-end contribution to CornerStone. Your donation will help us continue providing food/snacks, creative programs, and a safe haven for youth in grades 4-12, while expanding opportunities for all ages through various community events & partnerships.

We understand that you might have donated already and this season is full of many deserving causes, so if donating doesn't fit into your 2024 year-end finances, we would be honored if you hold onto this pledge form and think about including us in your 2025 giving plans. Every contribution, no matter the timing or amount, makes a meaningful difference in the lives of our youth and the future of our community.

See pledge form below to apply payment or stop by CornerStone to give in person and see the impact you're making! Additionally, your donation is tax-deductible and ensures that CornerStone continues to thrive as a pillar of community support and youth empowerment.

Thank you for believing in our mission and for being a vital part of the CornerStone family. Together, we're creating a brighter future for our youth and our community!

**Warm wishes,  
CornerStone Staff, Board of Directors, & all the Youth here at CornerStone!**

Yes, I want to join CornerStone's Infrastructure!
